Re: Tonolli Corporation Site  
Transmittal of Information

Dear Mr. Babcock:

As we discussed on October 27, 1989, I have requested and received additional information from Mr. Greg Dubin, Project Manager for the Panther Creek Energy, Inc. cogeneration project. Enclosed for your review (and copying) are a complete copy of the surface mining permit application, a surface topography map and aerial photo reproduction covering the Tonolli site area. I request that you review and copy these materials as quickly as possible, and return the originals to EPA. Please contact me to discuss your anticipated time frame for review of the enclosed materials.

Sincerely,

*Donna M. McCartney*
